As of 09.30.25, performance annualized since the inception of the fund (01.03.11) is 11.15%. Performance prior to 01.03.11 is that of the fund's Advisor Class. Advisor Class inception date is 06.30.08. The Institutional Shares would have substantially similar performance as the Advisor Shares because the shares are invested in the same portfolio of securities and the annual returns would differ only to the extent that the expenses of the Institutional Shares are lower than the expenses of the Advisor Shares. The performance data quoted represents past performance. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investors shares, when redeemed, may be worth more or less than their original cost, and current performance may be higher or lower than the performance quoted. For performance data current to the most recent month end, please call 1.866.773.3238.

The Benchmark is the Russell Midcap Index. The Index measures the performance of the mid-cap segment of the U.S. equity universe. The Index is a subset of the Russell 1000® Index, representing approximately 27% of its total market capitalization. It includes approximately 800 of the smallest securities based on a combination of their market cap and current index membership. The benchmark is unmanaged and not available for direct investment.

To determine if this Fund is an appropriate investment for you, carefully consider the Fund's investment objectives, risk factors, charges, and expenses before investing.
