The performance data quoted represents past performance. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost, and current performance may be higher or lower than the performance quoted. For performance data current to the most recent month end, please call 1.866.773.3238.

The Benchmark is the Russell 2000 Index. The Index measures the performance of the small-cap segment of the U.S. equity universe. The Index is a subset of the Russell 3000® Index, representing approximately 8% of the total market capitalization of that index. It includes approximately 2,000 of the smallest securities based on a combination of their market cap and current index membership. The benchmark is unmanaged and not available for direct investment.

To determine if this Fund is an appropriate investment for you, carefully consider the Fund's investment objectives, risk factors, charges, and expenses before investing. This and other information can be found in the Fund's summary and full prospectuses, which may be obtained by calling 1.866.773.3238. Read the prospectus carefully before investing or sending money.

Mutual fund investing involves risk, including possible loss of principal. There can be no assurance that the Fund will achieve its stated objectives. In addition to the normal risks associated with investing, investments in smaller companies typically exhibit higher volatility. Current and future holdings are subject to risk.
